Branding 2026

Esnad Quality

Esnad Quality is a professional quality assurance company dedicated to food safety, quality management, and certification solutions. We support businesses in maintaining high standards, improving operational practices, and building stronger systems that promote reliability, compliance, and long-term growth across diverse industries and organizations today.

Our approach combines professional expertise, practical guidance, and modern quality practices to help organizations meet required standards with confidence. We focus on delivering clear, reliable, and effective solutions tailored to each client’s needs, ensuring that quality and food safety become an integral part of everyday business operations & continuous improvement initiatives.

At Esnad Quality, we believe quality is more than compliance; it is a foundation for trust, excellence, and sustainable success. From consultation and quality management to food safety and certification support, we provide comprehensive solutions designed to strengthen organizations, enhance performance, and create value for businesses and their customers through professional, dependable, and measurable quality practices for sustainable growth.

Logo Mark

Do's

- Always use the appropriate background color to ensure the logo remains clear and visible
- A subtle stroke can be applied around the logo, along with clear space, to enhance its visibility
- Use a solid background color that enhances the logo's visibility and clarity
- Use the logo mark consistently to maintain brand recognition and clarity

Don't

- Use only a brand colour
- Do not use blur effect to the logo
- Do not use a brown solid color
- Do not use any filter to the logo
- Do not change the opacity
- Do not rotate the logo

Color Palette

Color Specifications

Esnad Quality focuses on quality assurance, food safety, and certification. Its professional color scheme features deep green for freshness, light green for growth, and metallic gold for trust, while the shield and checkmark logo reflect its commitment to excellence.
